

# RECRUITING WORKSHEET

## Who do we already know who might be gifted and called to join us as Navigator staff?

Brainstorm, with others, to fill out this list. (Aim for 5-8 in each category; be sure to include men, women, younger, mid-career and also people of color).

### FORMER STAFF

They served with us before, maybe they will again?

### FORMER STUDENT/MILITARY

They almost joined us once; let's try again.

### DISCIPLE MAKING FRIENDS

These people are rock stars; maybe they should join our staff?

### BETTER FIT WITH NAVS

We know they serve in elsewhere in the Body, but...

### WORTH A SHOT!

Totally crazy, but it would be amazing if they joined our staff!
